

WindReach Farm Foundation

Our 2022 Highlights

At WindReach Farm, we say:
"When you come up the driveway, you never leave.
Once WindReach is in your blood, you are here to stay!"

This is especially true when I reflect on the amazing support and generosity of our donors and supporters in 2022, a loyal group who show us over and over again that WindReach Farm really matters!

In 2022, there were still challenges due to the pandemic, but your support enabled us to resume full operations. We also pursued our objective to build capacity in all of our impactful programs and services for those with limited options in the community. It was exciting and heartwarming to see participants happily return to their programs, along with some new faces.

Thank you for believing in WindReach and our goal to make the lives of those we serve the best they can be! I hope you enjoy reading these highlights from both the Farm and the Foundation. They demonstrate the impact of your generous gifts on the lives of so many.

Carol Dahlquist, Executive Director, WindReach Farm Foundation
